OUT DRIVE.
OUT LAST.
OUT SHINE.
Dieter’s has been manufacturing high quality truck accessories since 1976! Our legacy started with a highly skilled tradesman and a few close friends who felt their trucks deserved that custom touch. Fast forward 40 years, and Dieter’s has become the largest, most trusted and most OEM awarded name in high quality stainless steel accessories for today’s Big Rigs. Our truck accessories don’t just belong in show-and-shines, they belong on the highways and backroads of North America.

What’s this mean for you?
Listening to the customer and delivering a product that is worthy of your hard earned dollars. Dieter’s has become the high quality accessory manufacturer of choice for North America’s heavy truck OEM’s. We use only the highest quality, non-magnetic 304 stainless steel and back it up with award winning customer service. In fact, we are so confident in our products, we stand behind them for a full two years. Try finding that with one of our competitors!

The result?
Highest quality stainless steel accessories available at over 2,000 dealerships throughout North America. Outwork, Outplay, Outlast with our high quality custom products for today’s professional drivers.
