Dieter's has been manufacturing high quality truck accessories since 1976! Our legacy started with a highly skilled tradesman and a few close friends who felt their trucks deserved that *custom touch*. Fast forward over 45 years, and Dieter's has become the largest, most trusted and most OEM awarded name in high quality stainless steel accessories for today's Big Rigs.

Our truck accessories don't just belong in show-and-shines, they belong on the highways and backroads of North America.

DIETER'S BUG DEFLECTORS CARRY A LIFETIME WARRANTY FROM RUST, CORROSION AND BREAKAGE.

Please note:

We have recently made a change with Western Star part numbers. The prefix for Western Star part numbers WBP has changed. They are now being loaded into DTNA's system with the prefix ABP. This is not an error in the catalog. If you have any issues when searching for parts listed in the catalog please reach out to our customer service team inquiries@dietersaccessories.com or call 1-877-884-8555.
